Sharing & permissions

You can share your Notion pages with clients, teammates, collaborators, or the internet! Here, we'll cover how to share content and work with others in Notion.

Popular topics

[See all](#)The thumbnail features a woman on the left and a Notion interface on the right. The interface shows a 'Share' dialog box with options to share via email or group, and a 'Publish' button. A black banner with white text 'Sharing & publishing' is overlaid on the bottom right of the thumbnail.

FAQs

I tried adding a guest to my workspace but they were turned into a member automatically. How can I prevent that?	+
What's the difference between sharing my Notion page with anyone on the web with the link and sharing my Notion page as a Notion Site?	+
My Export button is missing, it doesn't appear in any menus.	+
Can I limit access to different parts of a database? Can I make it so that some people can see certain database pages, but not others?	+
